

Lyrics for November 2017 Daily Sparkle CD Songs

Track 1 My Love by Petula Clark

My love is warmer than the warmest sunshine
Softer than a sigh
My love is deeper than the deepest ocean
Wider than the sky

My love is brighter than the brightest star
That shines every night above
And there is nothing in this world
That can ever change my love

Something happened to my heart the day that I met you
Something that I never felt before
You are always on my mind no matter what I do
And everyday it seems that I want you more

My love is warmer than the warmest sunshine
Softer than a sigh
My love is deeper than the deepest ocean
Wider than the sky

My love is brighter than the brightest star
That shines every night above
And there is nothing in this world
That can ever change my love

Track 2 I Believe by Frankie Laine

I believe for every drop of rain that falls
A flower grows
I believe that somewhere in the darkest night
A candle glows
I believe for everyone who goes astray
Someone will come to show the way
I believe, yes, I believe

I believe above the storm the smallest prayer
Will still be heard
I believe that someone in the great somewhere
Hears every word
Every time I hear a newborn baby cry
Or touch a leaf
Or see the sky
Then I know why I believe
Every time I hear a newborn baby cry
Or touch a leaf, or see the sky
Then I know why I believe
(Why I believe)

Track 3 Blow The Wind Southerly by Maureen Forrester

Blow the wind southerly
Southerly, southerly
Blow bonnie breeze o'er
The bonnie blue sea
Blow the wind southerly
Southerly, southerly
Blow bonnie breeze
My lover to me

They told me last night
There were ships in the offing
And I hurried down
To the deep rolling sea
But my eye could not see it
Wherever might be it
The barque that is bearing
My lover to me

Blow the wind southerly
Southerly, southerly
Blow bonnie breeze
That my lover may come
Blow the wind southerly
Southerly, southerly
Blow bonnie breeze
My lover safe home

Track 4 Come Outside by Mike Sarne & Wendy Richards

Little doll we've been jiving all night long
(Little doll)
Little doll gotta feeling something's wrong
(Little doll)
Coz it ain't right to wanna keep on dancing
There won't be any time left for romancing

Come outside, come outside
There's a lovely moon out there
Come outside, come outside
While we got time to spare

Little doll it seems ages since we kissed
(Little doll)
Little doll think of all the fun we've missed
(Little doll)
Coz it ain't right to wanna keep on dancing
There won't be any time left for romancing

Come outside, (what for)
Come outside, (whats the rush)
There's a lovely moon out there, (it's cold outside)
Come outside, (why)
Come outside (you do keep on)
While we got time to spare (I want another twist)

Track 5 I'm Walking Behind you by Eddie Fisher

I'm walking behind you
On your wedding day
And I'll hear you promise
To love and obey

Though you may forget me
You're still on my mind
Look over your shoulder
I'm walking behind

Maybe I'll kiss again
With a love that's new
But I shall wish again
I was kissing you

'Cos I'll always love you
Wherever you go

Track 6 Myfanwy by Rhydian & Bryn Terfel

Pa ham mae dicter, O Myfanwy,
Yn llenwi'th lygaid duon ddi?
A'th ruddiau tirion, O Myfanwy,
Heb wrido wrth fy ngweled i?
Pa le mae'r wen oedd ar dy wefus
Fu'n cynnau 'nghariad ffyddlon ffol?
Pa le mae sain dy eiriau melys,
Fu'n denu'n nghalon ar dy ôl?

[English]

Why is it anger, O Myfanwy
That fills your eyes so dark and clear?
Your gentle cheeks, O sweet Myfanwy
Why blush they not when I draw near?
Where is the smile that once most tender
Kindled my love so fond, so true?
Where is the sound of your sweet words
That drew my heart to follow you?

**Track 7 Drink To Me Only With Thine Eyes by
Paul Robeson**

Drink to me only with thine eyes
And I will pledge with mine
Or leave a kiss within the cup
And I'll not ask for wine

The thirst that from the soul doth rise
Doth ask a drink divine
But might I of Jove's nectar sip
I would not change for thine

Track 8 Who's Sorry Now by Connie Francis

Who's sorry now
Who's sorry now
Who's heart is aching for breaking each vow
Who's sad and blue
Who's crying too
Just like I cried over you

Right to the end
Just like a friend
I tried to warn you somehow
You had your way
Now you must pay
I'm glad that you're sorry now

Track 9 Give Me Your Word by Tennessee Ernie Ford

Give me your word
Your love will never die
Give me your word
You'll feel the same as I
My heart will beat a lifetime just for you
That's all it wants to do
If yours is just as true
Why don't you

Give me your lips
And let your lips remain
Give me your word
I'm not in love in vain
Give me one hope to guide me
One vow you'll be beside me
Always give me your word

Track 10 Happy Days Are Here Again by Mitch Miller

Happy days are here again
The skies above are clear again
Let's sing a song of cheer again
Happy days are here again

All together, shout it now!
There's no one who can doubt it now
So let's tell the world about it now
Happy days are here again

Your cares and troubles are gone
There'll be no more from now on!

Happy days are here again
The skies above are clear again
Let's sing a song of cheer again
Happy days are here again

Happy days are here again
The skies above are clear again
Let's sing a song of cheer again
Happy days are here again

Track 11 When by The Kalin Twins

When, when you smile, when you smile at me
Well, well, I know our love will always be
When, when you kiss, when you kiss me right
I, I don't want to ever say good night

I need you
I want you near me
I love you, yes, I do
And I hope you hear me

When, when I say, when I say, "Be mine"
If, if you will, I know all will be fine
When will you be mine?

Oh, baby, I need you
I want you near me
I love you, yes, I do
And I hope you hear me

When, when, when you smile, when you smile at me
Well, well, I know our love will always be

Track 12 Dem Bones, Dem Bones by Delta Rhythm Boys

Ezekiel connected dem dry bones
Ezekiel connected dem dry bones
Ezekiel connected dem dry bones
Now hear the word of the Lord

Well, your toe bone connected to your foot bone
Your foot bone connected to your heel bone
Your heel bone connected to your ankle bone
Your ankle bone connected to your leg bone
Your leg bone connected to your knee bone
Your knee bone connected to your thigh bone
Your thigh bone connected to your hip bone

Disconnect dem bones, dem dry bones
An' I hear the word of the Lord!

Track 13 Scotland The Brave by John Mc Dermott

Hark, when the night is falling
Hear, hear the pipes are calling
Loudly and proudly calling down through the glen
There where the hills are sleeping
Now feel the blood a leaping
High as the spirits of the old highland men

Towering in gallant fame
Scotland my mountain hame
High may your proud banners gloriously wave
Land o' the high endeavour
Land o' the shining river
Land o' my heart forever
Scotland the brave

High in the Misty highlands,
Out by the purple islands
Brave are the hearts that beat beneath Scottish skies
Wild are the winds to meet you
Staunch are the friends that greet you
Kind as the light that shines from fair maidens eyes

Towering in gallant fame
Scotland my mountain hame
High may your proud banners gloriously wave
Land o' the high endeavour
Land o' the shining river
Land o' my heart forever
Scotland the brave

Track 14 Keep Right On To The End by Sir Harry Lauder

With a big stout heart to a long steep hill
We may get there with a smile
With a good kind thought and an end in view
We can cut short many a mile
So let courage ev'ry day
Be your guiding star always

Keep right on til the end of the road
Keep right on til the end
Tho' the way be long, let your heart be strong
Keep right on round the bend

If you're tired and weary still journey on
Till you come to your happy abode
Where all you love, you've been dreaming of
Will be there, at the end of the road

Keep right on til the end of the road
Keep right on til the end
Tho' the way be long, let your heart be strong
Keep right on round the bend

If you're tired and weary still journey on
Till you come to your happy abode
Where all you love, you've been dreaming of
Will be there, at the end of the road

Track 15 Witchcraft by Frank Sinatra

Those fingers in my hair
That sly come hither stare
That strips my conscience bare
It's witchcraft
And I've got no defense for it
The heat is too intense for it
What good would commonsense for it do?

'Cause it's witchcraft!
Wicked witchcraft
And although I know it's strictly taboo
When you arouse the need in me
My heart says "yes indeed" in me
Proceed with what you're leading me to!

It's such an ancient pitch
But one I wouldn't switch
'Cause there's no nicer witch than you!

Track 16 I'll Be Home by Pat Boone

I'll be home, my darling
Please wait for me (wait for me)
We'll stroll along together
Once more our love will be free

At the corner drugstore
Each Saturday we would meet (we would meet)
I'd walk you home in the moonlight
All of these things we'll repeat

So darling, as I write this letter
Here's hoping you're thinking of me
My mind's made up
So long until I'll be home to start serving you

I'll be home, my darling
Please wait for me (wait for me)

Track 17 Hernando's Hideaway by Alma Cogan

I know a dark secluded place
A place where no one knows your face
A glass of wine, a fast embrace
It's called Hernando's Hideaway, Ole!
All you see are silhouettes
And all you hear are castanets
And no one cares how late it gets
Not at Hernando's Hideaway, Ole!

At the Golden Finger Bowl or any place you go
You'll meet your uncle Max and everyone you know
But if you go to the spot that I am thinking of
You will be free to gaze at me and talk of love

Just knock three times and whisper love
That you and I were sent by Jove
Then strike a match and you will know
You're in Hernando's Hideaway, Ole!

At the Golden Finger Bowl or any place you go
You'll meet your uncle Max and everyone you know
But if you go to the spot that I am thinking of
You will be free to gaze at me and talk of love

Just knock three times and whisper love
That you and I were sent by Jove
Then strike a match and you will know
You're in Hernando's Hideaway, Ole!

Track 18 Blow The Man Down by The Seekers

Come all ye young fellows that follow the sea
To me way-hey blow the man down
And pray pay attention and listen to me
Give me some time to blow the man down

I'm a deep water sailor just in from Hong Kong
To me way-hey blow the man down
If you'll give me some rum I'll sing you a song
Give me some time to blow the man down

T'was on a Black Baller I first spent my time
To me way-hey blow the man down
And on that Black Baller I wasted my prime
Give me some time to blow the man down

T'is when a Black Baller's preparing for sea
To me way-hey blow the man down
You'd split your sides laughing at the sights that you see
Give me some time to blow the man down

With the tinkers and tailors and soldiers and all
To me way-hey blow the man down
That ship for prime seamen onboard a Black Ball
Give me some time to blow the man down

T'is when a Black Baller is clear of the land
To me way-hey blow the man down
Our bo'sun then gives us the word of command
Give me some time to blow the man down

Lay aft is the cry to the break of the poop
To me way-hey blow the man down
Or I'll help you along with the toe of my boot
Give me some time to blow the man down

Track 19 Move It On Over by Hank Williams

Came in last night about a half past ten
That baby of mine wouldn't let me in
Move it on over (move it on over)
Move it on over (move it on over)
Move over little dog cause the big dog's moving in

She changed the lock on my front door
My door key, it don't fit no more
So get it on over (move it on over)
Scoot it on over (move it on over)
Move over skinny dog cause the fat dog's moving in

This dog house here is mighty small
But it's better than no house at all
So ease it on over (move it on over)
Drag it on over (move it on over)
Move over old dog cause a new dog's moving in

She told me not to play around
But I done let the deal go down
So pack it on over (move it on over)
Tote it on over (move it on over)
Move over nice dog cause a bad dog's moving in

She warned me once, she warned me twice
But I don't take no-one's advice
So scratch it on over (move it on over)
Shake it on over (move it on over)
Move over short dog cause a tall dog's moving in

Track 20 Does Your Chewing Gum Lose Its Flavour by Lonnie Donegan

Oh-me, oh-my, oh-you whatever shall I do
Hallelujah, the question is peculiar
I'd give a lot of dough if only I could know
The answer to my question is it yes or is it no

Does your chewing gum lose its flavour
On the bedpost overnight
If your mother says don't chew it
Do you swallow it in spite
Can you catch it on your tonsils
Can you heave it left and right
Does your chewing gum lose its flavour
On the bedpost overnight

One night old Granny Stead
Stuck gum all round her bed
Elastic rollers, all that chewing without molars
It got round her in the night
Got stuck on Gran's bed – right
Old Granny leapt up in the air
Shouting out 'Tonight's the night'

Does your chewing gum lose its sticky
On the bedpost overnight
Does it go all hard, fall on the floor
And look a nasty sight
Can you bend it like a fish hook
Just in case you get a bite
Does your chewing gum lose its flavour
On the bedpost overnight

(spoken section)

The convict out on bail, said put me back in jail
Who rang the knocker, he must be off his rocker
Then back in his old cell, the reason he did tell
His gum was stuck above his bed
But still all safe and well

Does your chewing gum have more uses
Than it says upon the pack
Can you stretch it out much further
Than the man upon the rack
Can you lend it to your brother
And expect to get it back
Does your chewing gum lose its flavour
When your lips refuse to smack

Track 21 Beer, Beer, Beer by The Clancy Brothers

A long time ago, way back in history
When all there was to drink was nothing but cups of tea
Along came a man by the name of Charlie Mops
And he invented a wonderful drink
And he made it out of hops

He must have been an admiral, a sultan or a king
And to his praises we shall always sing
Look what he has done for us, he's filled us up with cheer!
Lord bless Charlie Mops, the man who invented
Beer Beer Beer Tiddly Beer Beer Beer

The Curtis bar, the James' Pub, the Hole in the Wall as well
One thing you can be sure of, it's Charlie's beer they sell
So come on all ye lucky lads at eleven o'clock ye stop
For five short seconds, remember Charlie Mops
1 2 3 4 5

He must have been an admiral, a sultan or a king,
And to his praises we shall always sing
Look what he has done for us he's filled us up with cheer!
Lord bless Charlie Mops, the man who invented
Beer Beer Beer, Tiddly Beer Beer beer

A bushel of malt, a barrel of hops, you stir it around with a stick
The kind of lubrication to make your engine tick.
It's only eight pence ha'penny and one and six in tax
1 2 3 4 5

He must have been an admiral, a sultan or a king
And to his praises we shall always sing
Look what he has done for us he's filled us up with cheer!
Lord bless Charlie Mops, the man who invented
Beer Beer Beer
Tiddly Beer Beer Beer
The Lord bless Charlie Mops!

Track 22 Jeepers Creepers by Louis Armstrong

Now, I don't care what the weather man says
When the weather man says it's raining
You never hear me complaining
I'm certain the sun will shine
I don't care how the weather vane points
When the weather vane points to gloomy
It's got to be sunny to me, when your eyes look into mine

Oh jeepers creepers, where d' ya get those peepers?
Jeepers creepers, where d' ya get those eyes?
Gosh all git up, how'd they get so lit up?
Gosh all git up, how'd they get that size?

Oh Golly gee!
When you turn those heaters on, woe is me
Got to put my cheaters on,

Jeepers Creepers, where d' ya get those peepers?
Oh, those weepers, how they hypnotize
Where d' ya get those eyes?
Where d' ya get those eyes at?
Where d' ya get those eyes?

Track 23 The Policeman's Song from The Pirates of Penzance by The Doyle Carte Company

When a felon's not engaged in his employment
Or maturing his felonious little plan
His capacity for innocent enjoyment
Is just as great as any honest man

Our feelings we with difficulty smother
When constabulary duties to be done
Taking one consideration with another
A policeman's lot is not a happy one

When constabulary duties to be done
A policeman's lot is not a happy one

When the enterprising burglar's not a-burgling
When the cut-throat isn't occupied in crime
He loves to hear the little brook a-gurgling
And to listen to the merry village chime

When the coster's finished jumping on his mother
He loves to lie a-basking in the sun
Taking one consideration with another
A policeman's lot is not a happy one

Track 24 From Me To You by Beatles

If there's anything that you want
If there's anything I could do
Just call on me and I'll send it along
With love from me to you

I've got everything that you want
Like a heart that's oh so true
Just call on me and I'll send it along
With love from me to you

I got arms that long to hold you
And keep you by my side
I got lips that long to kiss you
And keep you satisfied, oooh

If there's anything that you want
If there's anything I can do
Just call on me and I'll send it along
With love from me to you

From me, to you
Just call on me and I'll send it along
With love from me to you

I got arms that long to hold you
And keep you by my side
I got lips that long to kiss you
And keep you satisfied, oooh

If there's anything that you want
If there's anything I can do
Just call on me and I'll send it along
With love from me to you
To you, to you, to you

Track 25 Oh Happy Day by St Francis Choir

Oh happy day (oh happy day)
Oh happy day (oh happy day)
When Jesus washed (when Jesus washed)
When Jesus washed (when Jesus washed)
Jesus washed (when Jesus washed)
Washed my sins away (oh happy day)

Oh happy day (oh happy day)
Oh happy day (oh happy day)
La, la, la, la, la
Oh happy day (oh happy day)
Oh happy day (oh happy day)
When Jesus washed (when Jesus washed)
When Jesus washed (when Jesus washed)
When my Jesus washed (when Jesus washed)
Washed my sins away
La, la, la, la, la

He taught me how (oh, He taught me how)
To wash (to wash, to wash)
Fight and pray (to fight and pray) Fight and pray
And he taught me how to live rejoicing
(and live rejoicing) Yes He did

Oh yeah, every, every day Every day!
Oh happy day (oh happy day)
Oh happy day, yeah (oh happy day)
When Jesus washed (when Jesus washed)
When my Jesus washed (when Jesus washed)
When Jesus washed (when Jesus washed)
My sins away (oh happy day)

Track 26 No Other Love by Ronnie Hilton

No other love have I
Only my love for you
Only the dream we knew
No other love

Watching the night go by
Wishing that you could be
Watching the night with me
Into the night I cry

Hurry home, come home to me
Set me free
Free from doubt and
Free from longing

Into your arms I'll fly
Locked in your arms I'll stay
Waiting to hear you say
No other love have I

Track 27 Bring Me Sunshine by Morecombe & Wise

Bring me sunshine in your smile
Bring me laughter all the while
In this world where we live
There should be more happiness
So much joy you can give
To each brand new bright tomorrow

Make me happy through the years
Never bring me any tears
Let your arms be as warm
As the sun from up above
Bring me fun bring me sunshine
Bring me love

Bring me sunshine in your smile
Bring me laughter all the while
In this world where we live
There should be more happiness
So much joy you can give
To each brand new bright tomorrow

Make me happy through the years
Never bring me any tears
Let your arms be as warm
As the sun from up above
Bring me fun bring me sunshine
Bring me love

Track 28 Lipstick On Your Collar by Connie Francis

When you left me all alone at the record hop
Told me you were goin' out for a soda pop
You were gone for quite a while, half an hour or more
You came back and man oh man this is what I saw

Lipstick on your collar, told a tale on you
Lipstick on your collar, said you were untrue
Bet your bottom dollar, you and I are through
Cause lipstick on your collar told a tale on you

You said it belonged to me, made me stop and think
Then I noticed yours was red, mine was baby pink
Who walked in but Mary Jane, lipstick all a mess
Were you smoochin' my best friend?
Guess the answer's yes

Lipstick on your collar, told a tale on you
Lipstick on your collar, said you were untrue
Bet your bottom dollar, you and I are through
Cause lipstick on your collar told a tale on you, boy
Told a tale on you, man
Told a tale on you, yeah

Track 29 Banana Boat Song by Harry Belafonte

Track 30 Baubles, Bangles and Beads by Peggy Lee

Baubles, bangles
Hear how they jing, jing-a-ling-a
Baubles, bangles
Bright, shiny beads

Sparkles, spangles
My heart will sing, sing-a-ling-a
Wearing baubles, bangles and beads

I'll glitter and gleam so
Make somebody dream so
That someday he may buy me
A ring, ring-a-ling-a
I've heard that's where it leads
Wearing baubles and bangles and beads

I'll glitter and gleam so
Make somebody dream so
That someday he may buy me
A ring, ring-a-ling-a
I've heard that's where it leads
Wearing baubles and bangles and beads
Baubles and bangles
Baubles and beads
