

Picture Quiz – Animals

Introduction

Eight pictures of animals to tie in with our theme from Rudyard Kipling's 'The Jungle Book'. These resources can be found in the Discussion Sheet of 'The Jungle Book', December's Music and Movement and Animal Masks in Art & Craft.

As a follow up to the quiz, there is an extension question and a word puzzle.

What To Do

Copy the A4 page of pictures from the second page. Make enough colour copies for each person to have a sheet to look at. The quiz, the extension questions and the word puzzle can be done with a group or one-to-one.

For each set of quiz questions, make sure that people have identified the correct picture on the page from the number.
